ACCOUNTING & BUSINESS CONSULTANTS

## ABOUT US

Catalyst Accounting and Business Consultants (Pty) Ltd was founded in 2025 by a team of qualified accountants and partners.

We were established to close a clear gap in the market — providing small businesses, spaza shops, importers, exporters, and SMEs with expert financial guidance, practical business solutions, and the training they need to succeed.

Our team combines professional qualifications and memberships with global recognition, including ACCA (UK), SAIBA (SA), IRMSA (SA), CIPFA (UK), and CMR (UK).

***We work side by side with you to simplify complex challenges, unlock growth opportunities, and strengthen your business for long term success.***

**BUILDING STRONGER BUSINESSES TOGETHER.**
